

Registration form

As the agent of the building owner, we are responsible for the careful selection of tenants. With this in mind, we are sure you appreciate the reasons for the detailed questions. Upon conclusion of an agreement, these personal details will also be required for your registration with the municipality. If the property can be awarded to you, this registration will be used to draw up the rental agreement (see reverse for data protection provisions).

Please tell us how you found out about the rental property, for example via:

Data protection provisions

We are responsible for the data you send us in this registration form and for any other data that we obtain from third parties (employer, debt collection office and/or previous landlord) on the basis of your authorisation. We process this data strictly in accordance with applicable data protection law with a view to the potential conclusion of a rental agreement (purpose of processing). Where we involve third parties (e.g. our IT providers) in data processing, we ensure that data security is guaranteed. If required, we share your data with other third parties such as the relevant municipalities and electricity companies for the rental property in question. Your data will be destroyed or anonymised as soon as it is no longer needed for processing purposes, although it may also be retained if this is required under laws, ordinances or other regulations that we are bound by. Your data will not be shared with other third parties, transmitted outside Switzerland or used for any other purpose.

Please consult our privacy statement on our website for more details and information on your rights:
